Day Paddles and Overnight Camping Trips - Homosassa Area

Halls River Paddle Information Sheet

Description: Launch from Riverhaven Marina Ramp and head up river to the Halls River bridge. Continue up Halls River going past the canals on both sides. The river ends about 200 yards from HWY 19. There are a few houses near the end and one about 2/3 the way up, but most of the paddle is wild Florida. Retrace your path back to the Homosassa River and make sure you check out Monkey Island on your way back to the Marina.

Skill Level: Intermediate due to distance

Distance/Time: 9.4 Miles Total/ 5 Hours

Launch Site: Riverhaven Marina Ramp

Florida Paddling

Frails Association

<u>Special Considerations</u>: Heavy boat traffic on weekends on the Homosassa River. Launch fee

Skill Level Definitions

Beginner: New to paddling and may need tips and or instructions about paddling strokes, safety procedures, and entering/exiting kayaks. Comfortable on short trips of 1 to 3 miles on protected waters, when wind does not exceed 5 mph.

Novice: Paddlers acquainted with basic paddle stokes and can manage kayak handling independently in winds not exceeding 10 mph on protected waters. Comfortable on trips up to 6 miles.

Intermediate: Paddlers with experience in basic strokes and some experience on different venues, including some open water. Comfortable on trip distances of 6 to 10 miles, winds not exceeding 15 mph.

<u>Advanced</u>: Seasoned paddlers who possess skills and experience to paddle all venues and conditions. Experienced in self-rescues. Should be comfortable paddling more than 10 miles in a day.

NOTE: Great care has been taken to ensure this guides accuracy, but weather, tides, and water conditions can change rapidly and create hazardous conditions. These maps are for visual reference only, please consult NOAA Charts for navigation. Paddlers should have all proper safety equipment and check conditions before departure. All paddlers should always wear PFDs while on the water, and leave a float plan. There are inherent dangers in any paddle sport. There are special hazards along the Florida coast due to shifting tides, changing wind and weather, shallow waters, and treacherous bottoms with soft mud, rocks, and oyster bars. It is up to each paddler to be aware of these dangers, to accept and be prepared for the risks involved, and to be certain they have the skills to safely paddle in these conditions.
